Dear Sir:

The applicant's attorney thanks the Examiner for the courtesy of the telephone interview on the subject application held on August 16, 2006. In that interview the only topic discussed was the restriction requirement issued by the Examiner in the paper mailed on July 18, 2006. The Examiner and the applicant's attorney reached agreement that species restriction was not proper where the alleged species are an article and a method of making that article. The Examiner agreed to withdraw this restriction.

While it is believed that no election is necessary in view of the agreement reached between the Examiner and the applicant's attorney, the applicant hereby elects the group of claims 1 through 8 so that there is no question that this is a complete response.
